

ABOUT THE JOURNAL

Volume 2, No. 1 | January - March 2016 | Published Quarterly

Journal of Medical Students is based on original research articles of medical students from all over the world. The journal additionally accepts Short Communications, Case Reports, Review Articles, Conference Reports, Letters to the Editor and General Articles of medical interest.

The journal follows international guidelines for peer-reviewed journals as provided by the International Committee of Medical Journal Editors (ICMJE; www.icmje.org) and the Committee on Publication Ethics (COPE; www.publicationethics.org)

This journal provides immediate open access to its content on the principle that making research freely available to the public supports a greater global exchange of knowledge.

DISCLAIMER

The Journal of Medical Students is a research journal for medical & dental students of all countries; it has been given official declaration by the Government of Pakistan. All rights are reserved by the Laws of the State of Pakistan.

It is maintained by the Department of Medical Research at Rehman Medical College, Peshawar, Khyber Pakhtunkhwa, Pakistan.

The journal content is published in good faith and for academic and research purposes only. The Editorial staff or the Institution bears no liability for use of content (including interventions and procedures) by any person/body/institution/organization, etc. for any purpose other than explicitly stated and understood by the authors of the concerned article(s).
